Injury - Form Vikings Underdogs For Dedication Game

Field In Good Shape For Game

The football gridiron at the Grayling Memorial Recreation area will be in the best shape for the game this Friday night. The grass could be better but is in excellent shape for the first year. The lights are installed and the Vikings are using one of them this week to keep under. The fencing area Monday and a crew are busy getting it installed. Russell Carlson, chairman of the Recreation Area Committee, said that the fencing might not be completely installed by Friday night but would be nearly so. A booth is being erected at midfield from which a public address system will be used. The booth is elevated so that a clear view of play all over the field will be had at all times by the announcer who will be Lewis Stillwaggon donated by employees of the Pure Oil Company has been erected but the steel flagpole which also gave the field will not be erected until next year. It will be necessary to move the field 75 feet to the east after the football season over in order to adequately take care of the end radius of the track. The chairman Carlson said it would be necessary to move but one light pole on each side to the new area. He stated would be a very simple procedure. When this is completed the all steel goal posts will be installed in cement bases.

A short dedication program for the field will take place at halftime of the game. The Grayling High Band has a halftime program worked out. Grayling High students have been busy selling advanced tickets this week and a large crowd is expected to attend the game.

Rev. Wayne Root who served on the finance committee for the Recreation Area will pronounce both the invocation and Benediction at the halftime program dedicating the field. Finance chairman Dr. J. F. Cook will chairmen the program and will present the field to Mayor A. L. Roberts on behalf of the committee. The presentation will be made through the presentation of a large key signifying the turning over of the field to the committee to the hands of the City of Grayling.

Adventist Church To Present Two Films

Family Films has produced a masterpiece with their film: "The Bible On The Table." This sound film presents the problems and blessings of instituting family worship in the average American home.

Director of Michigan Sabbath schools, Pastor M. F. Grau, will present this film at the Seventh-day Adventist Church, located at 509 Park St. next Monday evening at 8:00 o'clock. "The general public is invited to attend," states Pastor M. E. Lowry of the local S. D. A. Church.

The story involves a young man, Johnny, who discovers family worship being observed while making an early morning delivery of groceries to a home on his route. The difficulties he encounters while trying to get his own family to observe morning family worship are both touching and amusing.

Millions of Americans stand at the crossroads today to choose between Christianity and Communism. Thanks to an aggressive mission program, vast throngs of these citizens are now being won to the Christian faith.

I wish someone would give me a bow, some arrows and lessons on how to combine the two into one sort of useful sporting art. All sorts of strange things happen when I try archery. When I let go of the cord, there is mighty twang... but the arrow is still in my hand, or about three feet in front of me. Or else, I feel as though the bow is shooting me instead of vice versa.

—JP—

All of this interest in bows and arrows came about with the opening of the Grayling Recreation area last Saturday along with the opening of the new season for deer. Nary a bird did I see, but deer... WOW! 23 of them in three hours. Never had it so good in regular deer season.

—JP—

Last week in a sudden burst of ambition, I decided to do something. I foolishly let me use his chain saw, after my giving him all sorts of assurances that I would keep the chain well oiled. So with mighty gusto I went to work. Twenty minutes later my right forearm was paralyzed. I had to pry my fingers open, and I swore I had a broken back. Two days later, I had twenty-one blisters, a permanent bend in my back, a constant ringing in my ears, all my string, legs and fingers still attached, and an awful bunch of wood that I wish someone would split for me. I haven't stopped vibrating yet.

—JP—

Last week the PTA held its first meeting. It was hoped that about thirty-five or forty people would show up. At least they had that many chairs set out. It was a great and encouraging surprise when seventy some persons arrived. Ted Wheeler is a great job and apparently intends to make the goals he set for himself last Spring when he accepted the job as PTA President. If the attendance at this first meeting is any indication of the interest people in Grayling are taking in school affairs, maybe the School Board meetings in the future will have to be held in a larger place than a school building office. These meetings are "public", but the public apparently doesn't know about it. No announcements are published in the Avalanche, not are minutes of the meetings published. The School Board isn't obliged to do either, but then neither is the County Road Commission. The difference is the County Road Commission does. Hey, Ted, see what you can do about this!

—JP—

To the Chamber of Commerce: Some character names in the "Avalanche" have sent me a note with a good idea. He thinks someone ought to write a short history of Grayling and Crawford County, illustrated, and published in pamphlet form. It could be financed by the Chamber of Commerce, and distributed free by the local merchants. Don't make it too short, nor yet so long it would be boring. Properly handled, it wouldn't cost the Chamber a cent, and it would do a lot of good. Thanks, anonymous.

—JP—

Why would someone with a good decent suggestion like this above be bashful about signing his name? Can't understand it.

To James Remer: We would be glad to publish any acceptable slogans for the City water tower and let public reaction decide which might be best. The only joker in that is that so far we haven't had any "acceptable" ones. The suggestions we have, if published, would make the Avalanche liable for a libel suit or bring the Post Office Department down our necks by sending lewd literature through the mails. Thanks for your suggestion anyway.

—JP—

Follow-up: The Camp Lehigh Chapel, my spy reports, has a piano. Whether or not it is, I don't know. I haven't seen it. I do yet to find out. Yes, Lieutenant! he's been promoted, and a well deserved promotion, too.

The Cat Department is doing very poorly. I seldom get reports on what happens to the cats and dogs mentioned in the Stump, but at the last report, I heard that Cathy Stump had her kittens. Sorry, Cathy, we did the best we could. Anyway, here's another: Robert Springs, on County Road, has a yellow male kitten that needs a home.

—JP—

There was once an old party of who married three wives at one time. When asked, "Why the third?" he replied, "Oh, she was a criminal." And bigamy, eh, a criminal? JACK PINE

Hoffman To Head Polio Campaign

With the several hard frosts that have visited Grayling and the Crawford County area comes the thought that the 1955 Polio season is nearly over. True, the disease strikes anyone it pleases at any time it pleases, but the high incidence of cases has been during the late summer and early fall.

One case has been reported in the county so far this year with a confinement of only 5 days at Munson Hospital in Traverse City. However, as long as we even suffer one case, the need for care continues. Research, financed thru the great effort of people such as we have found in Crawford County during the March of Dimes campaign, has given new hope and encouragement that someday Polio will not be a word of terror.

Dr. Ralph Hoffman, just finished with guiding the new Crawford County Chamber of Commerce thru its first year, has accepted the Chairmanship of the 1956 March of Dimes next January. Already the many workers that have put Crawford at the top of Michigan in March of Dimes campaigns, have expressed their desire to work again. With the guidance of Dr. Hoffman, and with the continued eager participation of everyone, we again should lead the State.

Dr. Hoffman would head the 1956 drive, the local chapter of the National Foundation for Infantile Paralysis revealed that five members of the chapter were recently elected with "Certificates of Recognition" and 5-year service pins by the Foundation Headquarters in New York City. Those honored include: Robert Strong, Johanna Gorman, Mary Welch, Elsie Wilcox and John H. Peterson.

With this last announcement from New York came a special invitation in view of Crawford County's fine showing, expressing the Foundation's desire to have the new March of Dimes Campaign, Dr. Hoffman, attend a pre-campaign meeting in Chicago, October 5th and 6th. Mr. Jon Dahl, State NRIP representative, has advised that the reason for the special invitation is to give further recognition to this county for its fine work in the past before March of Dimes leaders from the entire Mid-West.

Cooperate On Child Safety Traffic Program

Sheriff John A. Papendick today announced that the county of Crawford is cooperating with the State Safety Commission on the annual "WATCH OUT FOR KIDS" traffic safety program.

"Each year," the Sheriff said, "motorists need to be reminded that children are returning to school and that there is a special need to watch out for them. Many of whom have just returned from carefree vacations have not adapted themselves to the routine of going to and from schools."

According to Sheriff Papendick, 5,087 children 14 years of age were struck down by automobiles on the streets and highways of Michigan last year — 119 of them died and many were crippled for life.

"Our department will pay particular attention to speeding near schools during the first few weeks of September as a forceful reminder to all motorists to watch their speed as they watch out for kids in school areas," the Sheriff said.

The Sheriff gives the following advice to parents. They are urged to teach their children this simple rule by repeating it over and over again:

STOP at the curb
WAIT until it's safe to cross
WALK across the street

In conclusion the Sheriff said, "Hitting a little girl or a little boy with a ton and half of steel is not a pleasant thing to do. Yet, as a driver in such an accident, you would find small comfort in the fact that the police may decide that the mishap was caused primarily by the child's own carelessness."

Sheriff Papendick announced that he had issued three traffic tickets over the weekend. One ticket was for passing on the yellow line, another for driving on the wrong side of the road and the third for speeding.

"Open House" To Mark Daniel Hoessl's Birthday

Tuesday, October eleventh is the eightieth birthday of Daniel Hoessl of Grayling and Mrs. Hoessl, who are both residents of Grayling.

Five high averages: B. Schreier 183, Carlyle 178, Snyder 173, Sullivan 173, Doc Cook 172.

Floyd Davis picked up the 4-7, 9-10 split for P-C-D. Almost good for another patch.

Miss Eileen Anthony of Grand Rapids visited her parents, Mr. and Mrs. Charles Anthony from Sunday until Tuesday of this week.

P. T. A. Holds Successful First Meeting

The new season of the Parent-Teacher Association in Grayling opened with a gratifying response. Every one of the city's teachers was present, together with an excellent representation of parents. It was encouraging indeed to see faces long absent. These, along with the parents of St. Mary's students, who have been asked to join with the public schools, indicated an answer to the question: "Do you want the P. T. A. to continue?" Perhaps this is the year the organization will get its feet.

The meeting last Wednesday was twofold in purpose. One, it afforded the parents an opportunity to talk to their youngsters' instructors and to meet the new additions to the faculty. Two, it brought up the discussion of whether or not a Cub Scout camp could be reorganized here. Mr. Ed. Reisig, assistant to the Executive Counselor in this territory, came armed with all pertinent data as well as an enthusiasm that persuaded the majority immediately. There is a very definite place open for such a movement; the P. T. A. is, given cooperation,

Gierke Wins Golf Tourney

Lloyd Gierke is the 1955 match play champion of the Grayling Golf Club. The final match was played on Tuesday, September 27th between Gierke and Grover Cason. Gierke came in one under par to take Cason one up.

He will receive a very attractive trophy for winning the championship. It is hoped next year to have a medal play championship as well as the match play held at the club.

Lloyd is heartily congratulated by all who took part in the match tourney as well as by all the club members in general.

The clubhouse is closed now but the flags are still up on the greens and some members are still getting in a few rounds of golf when the weather is favorable.

The greenskeeper, Bud Wales, is to be commended for the magnificent job he has accomplished on the course this year in spite of the extreme heat and dryness.

North Area Economic Group Meets Monday

The first meeting of the Northern Lower Peninsula Development Committee will be held in the new Grayling High Gym next Monday afternoon, October 10th at 2 P. M. The committee is formed of eleven men and the first meeting will undoubtedly be used to organize the group into a working force. This committee developed out of a meeting held at Cadillac early this spring at which the Northern Lower Peninsula Advisory Board named an organizing committee. This organizing committee met in Grayling on July 13 at Danabod Hall and named candidates in the fields of agriculture, education, finance, industry, recreation, public relations, land use and transportation. The candidates were polled and the new committee was formed from those candidates who signified a willingness to work on the project.

The eleven members of the new committee are: Dr. Charles L. Anspach, President Central Michigan College, Mt. Pleasant; Midwest Broadcasting Company, Traverse City; B. D. Hilly, Division Manager Consumers Power Company, Lansing; Glen MacDonal, Editor Bay City Times, Bay City; H. A. Osterhat, General Traffic Manager, Gerber Products Co., Fremont; P. M. Park, Vice President Besser Company, Alpena; Myron Riggs, Editor and Publisher, Cheboygan Daily Tribune, Cheboygan; Arthur K. Rouse, Manager Rouse Oil Company, Boyne City; Orville F. Walker, Associate County Agricultural Agent, Kalkaska; Herbert S. Wolff, President Grayling Sportsmen's Club, Grayling; C. Dwight Wood, Manager Aus-Coda Development Corporation, Oshtemo.

"A revival of the economy and more jobs" will be the prime objective of the committee who will seek ways and means to bolster and improve what the area now has as well as seeking methods of financing for the attraction of factories and the building of more housing.

The area which the committee represents and that which they will set the pace for an industrial revival, is the northern 28 counties of the Lower Peninsula south of the Bay City-Muskegon line. Also invited to attend the Monday session here were Russell Carlson, Grayling City Manager and Bill Turner, secretary-manager of the Crawford County Chamber of Commerce.

TO OPEN PHOTO STUDIO VERY SOON

In response to Jack Pine's suggestion of September 28th, within the next month the Kolenda Studio of photography will be established in Grayling. They will handle portraits, weddings, commercial pictures, photo-Christmas cards and the like.

The proprietor is Robert T. Kolenda, 28. He is unmarried. Mr. Kolenda was born and attended schools in Clio, Mich., except for a short time while his family lived in Chicago. He attended the Central Bible Institute in Springfield, Missouri, for five years where he majored in theology. In this connection, Mr. Kolenda is at present pastoring for the Assembly of God church in Grayling, where he took over last June from his brother, David, who was the church's first pastor and has been on and off for the past four years.

While attending college Mr. Kolenda worked on the school's annual publication, doing photography. It was there he developed his interest in the work. He has been engaged in it for the past five years, in his home town of Clio.

The Kolenda Studios will be located at 504 Michigan Avenue in Grayling.

Michigan Week May 20 - 26 In 1956

Michigan Week, the annual observance dedicated to telling people of the state and the country about Michigan's greatness, will be celebrated in 1956 May 20-26.

Russel Swaney, head of Detroit's Federal Reserve Bank, who was Wayne county chairman for the 1955 Michigan Week, will be general chairman.

The announcement is made by Walter L. Ciesler, president of Detroit Edison Co., as president of Greater Michigan, Inc., and Dan Gerber, president of Gerber's Baby Foods, Fremont, as chairman of the state Economic Development Commission. These two organizations are the principal sponsors of the event.

Mr. Swaney will now appoint a county chairman for each of Michigan's 83 counties, who in turn will be expected to appoint a chair for each community and to organize whatever county and community committees may be needed to handle the numerous activities of Michigan Week and its seven special days.

The full schedule of special days remains to be worked out, but Michigan Week will again open with Michigan Spiritual Foundations Day, Sunday, May 20, and close with New Frontiers Day, Saturday, May 26, and save the date for the closing of Michigan Week with the Exchange of Mayors Day.

At the same time that county and community committees are being appointed, a state executive board will be organized, along with numerous state committees. Every effort will be made to complete the organization of next year's Michigan Week early.

Kiwanis Club Notes

President Leslie Hunter and Arthur Clough, state chairman of the Kiwanis Agriculture and Conservation Committee gave the area a tour of the Kiwanis State Convention at Monday night's meeting of the Kiwanis Club of Grayling.

The Convention was held last week in the new hotel at Lansing. Lansing which is just being completed. The Kiwanis were the first group to ever use the convention hall. One hundred thirty-three of Michigan's 158 Kiwanis Clubs were represented with a total attendance of 810.

Aldrich C. Locke of Fenton was elected as Governor of the Michigan District for 1956 at the Convention. Main speakers were Robert Cray of Jackson, this year's Governor; Professor Paul D. Bagwell of Michigan State University; Dr. John H. Furbay, Director Air World Education; Kenneth B. Loehnd of Toronto, an international Trustee of Kiwanis; Dr. Don Phillips, President of Hillsdale College; Diane Oaks, 2nd winner of the American Legion Oratorical Contest.

At a director's meeting following Monday night's meeting of the Grayling club, it was decided to purchase a new American flag for club and identification badges for the members.

Mrs. Oscar Smith is spending two weeks at her cottage in Lovell known as Doc's Hideout. On Sunday she gave a birthday dinner for her daughter, Onalee Smith. Also attending were Mrs. Earl Johnson, and Mr. and Mrs. Don Sorenson and Marie Louise. Sunday was Mr. Johnson's birthday too.

Carl and Mrs. Phil Smith spent last Thursday in Mt. Pleasant on business.

Charlevoix Rayders Open New Field At 8:00 P. M. This Friday

Two Players Lost With Broken Bones

The injury-riddled Grayling High Varsity football squad is a definite "underdog" to the Charlevoix Rayders in the Friday night game here which will dedicate the new lighted football gridiron at the Grayling Memorial Recreation Area.

With two players lost for the season with broken bones, Coach Larry Baumann is faced with a difficult task of coming up with reserve strength to plug up the holes. With backs Richard Moore and Bill Karon, who was the first arm and a broken collar bone respectively, the team suffered a very severe blow when end Mel Luter bruised his arm last Friday night in the shower room at Harbor Springs High after the game.

Luter, who was a tower of strength on defense at his end position was also a better than average offensive performer. Hall and Moore although reserve backs, were showing lots of promise and their loss to the squad means more pressure on the starting backfield which is already weakened by injuries to the leg and ankle suffered by Lloyd Failing.

Circuit Court Opens Tuesday

The October term of Circuit Court for Crawford County will open next Tuesday afternoon at the Crawford County Court House with Judge John C. Shaffer presiding.

A fairly full calendar faces this term of court with one criminal case listed, five jury civil trials, one non-jury civil case and five chancery cases. Also listed in the calendar are two non-jury civil cases. No progress has been made in over a year. Some action will no doubt be taken in these two cases.

The criminal case involves Gordon Cox, who is charged with the reckless use of firearms. All five jury civil cases are declarations. The one non-jury civil case is also a declaration. The chancery cases are made up of a divorce action, an annulment, a motion for temporary alimony, a bill of complaint and a bill to abate public nuisance.

Drawn for jury duty for the next year starting with this term of court were: Lawrence Balch, Neil Olson, Walter Hartman, Clark Jackson, Norman Johnson, Dohn Weaver, Fred Herrick, Madelyn Carlson, Ernest Lowe, Robert Lozon, Helen Watters, John Canfield, Jr., Louis Loefler, Ward Beards, Claude Carling, Ralph Redhead, Jim Tobin, Theodore Ireland, Herbert Ferguson, Clarence Stillwaggon, Harry Canfield, Verna Barber, Eureka Stephan and Albert Madill.

Mercy Hospital News

Patients in Mercy Hospital this week included: Mrs. An Verah, Tommy Benware, Edwin Bowen, Lon Heath, Roy Papenfuss, Loran Richards, Arlie Tubbs, Charles West and Augusta Ziebell of Grayling; Ada Robideau and William Samwell of Rossmore; Clara Buxton, Mrs. Louise West, Benjamin Noors, and Mark Allen and Marla Ann Walters, of Lewistown; Mary Lee Duval, Marlow Thronson, Sandra Thronson, and Cheryl Thronson, and Ardella Wilmon of Flint; Clara Gibbons, and John Turner of Kalkaska; Bertha Lemussurier of Birmingham; Estelle Lowe of Prudenville; Mary Clair Carter of Battle Creek; Anne Kutzman of Kiwanis; Dale Curtiss of Lansing; Hattie Hinds of St. College, Pa.; VERA Rinckey of Lake City; and Floyd Strauch of New Baltimore.

Mr. and Mrs. Floyd Mayhew of Grayling had a baby girl October 2nd.

Mr. and Mrs. Richard Jacobson of Grayling were the parents of a boy born October 3rd.

Miss Doris Clansmith and Miss Mary Sigworth of Holland visited the former's sister, Mr. and Mrs. Robert Springs, and her aunt, Mrs. Bertha Davis, last weekend.

US-27, Four Lanes South of Grayling

The five miles of US-27 south of Grayling will be a four lane highway from the junction of M-72 on the north to the junction on M-76 on the south, it was announced Tuesday by H. M. Armistead, State Highway Department field office in Grayling.

The notice that the old highway, which will be improved in a couple of spots, would be left intact for traffic, was made on Monday by Charles M. Ziegler, State Highway Commissioner.

When the new pavement is ready to receive traffic, the old highway will have one hill cut down and one dip filled to bring it more in line with the new concrete pavement. At this time it was not known for sure whether the four lanes would be carried on to meet with the four lane divided structure at the junction of M-70 and US-27. It was the hope of Grayling residents, law enforcement officials, that this would be the case.

The new pavement under the contract let to be ready for traffic October 31, but the completion date has been extended to December 1, Mr. Armistead said.

Sunday night, a guest at the Shoppenagons Inn Annex noticed evidence of a fire in the basement. It was discovered to be in the chimney from the furnace, and the fire department was immediately called. The department responded at once and the fire was brought under control very shortly after its discovery. The damage was slight, according to Roy Trudegrop, inn manager.

THE PROCLAMATION

"WHEREAS thousands of lives and hundreds of millions of dollars in property are lost each year through fires; and

WHEREAS, as a result of these destructive fires, immeasurable losses are caused in employment, production, and other economic activities; and

WHEREAS fire prevention programs have proven effective in communities throughout the nation;

NOW, THEREFORE, I, DWIGHT D. EISENHOWER, President of the United States of America, do hereby designate the week beginning October 9, 1955, as Fire Prevention Week.

I call upon the citizens of all communities in the land to organize effective programs for reducing the needless waste caused by preventable fires, and I urge State and local governments, the American National Red Cross, the National Fire Waste Council, the Chamber of Commerce of the United States, and business, labor and farm organizations, as well as schools, civic groups, and public information agencies, actively to observe Fire Prevention Week. I also direct the appropriate agencies of the Federal Government to assist in this national effort to reduce the loss of life and property resulting from fires.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

State Politicians Swapping Soapboxes As They Ready Campaign For 1956

POLITICIANS ARE SWAP-

PING soapboxes in Michigan as both parties stack their ammunition for 1956 campaigns.

Republicans, with a story for the working man, are going after the labor vote.

Democrats, prosperous with a full state of incumbents in the capitol, are wooing the farmer.

The switch in emphasis will have an effect on the 1956 election, both sides claim. The new areas of campaigning are expected to make Michigan one of the hottest states in the drive for votes.

"We are going to show the laboring man that he has benefited from a Republican legislature," said Republican State Chairman John Franken.

Democratic State Chairman Neil Staebler said the party is whipping together a "state farm program" to show normally Republican farmers that they would do well to vote the other way.

"The Republicans are driving the family off the farm with their agricultural policies," he said. "Corporations are buying the land as business enterprises."

Both parties conducted spirited voter registration campaigns in September.

Democrats aimed a major campaign gun at the 80 per cent farm parity, claiming President Eisenhower promised 100 per cent.

Laboring folks in Detroit will be bombarded with the idea that Republicans in the legislature have increased workmen's and unemployment compensation benefits.

All this, while the guessing game reaches new peaks over who will be the candidates.

Folkens insists that Gov. Williams will try for his second four-year stay in the White House.

The Governor, who has been mentioned as a Democratic presidential candidate, is silent on the thought but has done little to indicate which way he might go.

Democrats are patient, but some top party leaders figure it will be for a fifth term in Lansing.

Here's how they analyze it: Potential candidates at Chicago next Aug. 13 — except Gov. Williams — will be able to go into the convention, campaign for the nomination, and still hold a spot open back home.

Williams will have to make his decision before going to Chicago and it will have to be public, because the deadline for withdrawing from the gubernatorial race expires before Aug. 13.

Conceivably, Gov. Williams could be nominated for the presidency by Democrats and still be the candidate for governor in Michigan.

What would happen in that case is an interesting project for any attorney that happens to be in the mood for a night of contemplation.

Whatever is accomplished in the special session of the legislature in October will also have an influence on 1956.

The governor has called the legislature into special session to consider highway safety, care for mentally retarded children and a \$200 a year pay increase for

50,000 school teachers.

Republicans are wary because the problems have been with legislators for years.

Juvenile Judge Nathan Kaufman, of Detroit, said children have been waiting 25 years for a space in mental hospitals. People have died on the highways ever since cars were invented.

"We're going to be criticized whatever happens," said one Republican lawmaker.

He said Gov. Williams can claim the credit for recognizing the "emergency" and calling the session. The governor can also attack Republicans for not solving problems of the past 20 years in four days of the session.

Democrats sought to tie the proposed \$200 a year salary increase for teachers to their \$4,000 minimum wage plank.

Some teachers are working for relatively low wages in Michigan schools and poorer districts are hiring uncertified teachers regularly.

Party support for the tieup of the two issues died in a State Central Committee meeting.

Rep. John Penczak (D-Detroit) said he and others plumped for the \$4,000 annual wage floor in the last session of the legislature.

He said: "We took an awful beating. If you want the \$4,000 a year guarantee, you're going to have to send us more Democrats."

Feldhauser P. T. A. Meets

The Feldhauser P. T. A. held its first fall meeting at the Feldhauser school last Thursday evening, with only moderate attendance.

Mrs. Jack Pettijohn, president, presided at the meeting. Mrs. Herman Clark, secretary-treasurer, read the minutes of the last meeting and gave the treasurer's report, reviewing the details of the August bazaar, which proved to be quite a success.

It was voted to furnish money to the Feldhauser school teachers for Halloween. A project for making screens for some of the windows, members to make the frames, was discussed.

Mrs. Clark and Mrs. Pettijohn furnished refreshments, two very nice cakes, tea and coffee. The new coffee-maker had its first use.

The next meeting will be on October 27th, at the schoolhouse.

Drewrys Wins Top Honors For Industry's Best Report

New York, N. Y., Oct. 5, 1955—In the final ratings by an independent board of judges in the fifteenth annual survey of "The Financial World," national magazine, Drewrys Limited U. S. A. Inc., was judged as having the best 1954 annual report in the Brewing Industry. The bronze "Oscar of Industry" Award will be presented to Carleton Smith, Chairman of the Board of Drewrys, at the annual awards banquet in the grand ballroom of the Hotel Statler in New York on Monday evening, October 24, 1955.

A total of 5,000 annual reports were considered this year in this international competition, and 1,895 qualified for the final screening.

Bits O' Talk

William Sorenson was in Lansing on business Wednesday of last week.

Mrs. Louis Hayes and children Diardre, Dennis, Donny and David are leaving Friday, October 7th to join her husband in Japan. En route they will stop at Mrs. Hayes' sisters home in Detroit, Mr. and Mrs. Wilbur Wright, until Sunday when Mrs. Hayes plans to begin the drive to Ft. Lawton, Seattle, Washington. October 20th is Mrs. Hayes' embarkation date from Ft. Lawton. Mr. and Mrs. Eric Post have rented the Hayes home during their absence.

Mrs. Frank Muth left Saturday morning to drive her mother, Mrs. Jennie Adkins, and sister Miss Twila Church, and little niece Margaret Rose, to Elk City, Kansas. They will stop twice enroute near Kansas City to visit relatives. Mrs. Muth will be on vacation about ten days.

Mr. and Mrs. Wesley Starks entertained his brother-in-law, Maynard Powell of Brookfield, and Kenneth Dowling of Spring Port, last weekend.

Stephan's Canoe Livery reports that a group of 100 boy scouts from the Pontiac area with their leaders made an overnight trip Saturday and Sunday down the Manistee river.

Mrs. Norval Stephan, Mrs. Bernard Fowler and son Jeff drove to Lansing Saturday to bring home for an indefinite stay Mrs. Stephan's nieces, Gloria Jean and Betty Vallad. Their mother, Mrs. Melvin Vallad, is in the hospital in Lansing.

Mr. and Mrs. Norman Madsen took a four-day trip recently, taking the boat to Milwaukee and up through Wisconsin to Manitowish, then taking the boat back. They spent a day in Muskegon before returning home. Mrs. Alvin Moore had charge of the children while the Madsens were away.

Mr. and Mrs. Lowe Richards and her mother, Mrs. Mabel Crowley of Lapeer were at their cottage on the AuSable last week end.

Mr. and Mrs. Roy Pearsall of Bay City spent last weekend at the AuSable river home.

Mr. and Mrs. Charles Gould of Gladwin stopped in for a visit to the Roy Swansons last Friday. The previous weekend the latter's parents, Mr. and Mrs. Charles Babcock of Gladwin were visitors until Tuesday.

How About a Date?

Watcha doin' tomorrow night? A bunch of young fellows would like to have a date with you. Where? At the football field at the Grayling Memorial Recreation Area.

That's right... tomorrow night, Friday, the Vikings will open the new lighted football field playing the Charlevoix Rayders here at 8 P. M. The team would sure like to see you there and the Grayling band has a fine halftime show all set.

Also at halftime a very short dedication program will be held. Admission prices as set by the Grayling High Athletic Board are very nominal and everyone should be out to back the green and white.

We're In Luck

How many Americans, in their day-by-day shopping in lavishly-stocked retail stores, ever seriously think about the system that makes all this abundance possible?

enterprise, capitalism, a competitive economy and so on. enterprise capitalism, a competitive economy, and so on. Regardless of semantics, it is based on just one thing—freedom. Producers are free to make what they like, retailers are free to stock what they like, and the consumer is free to buy what he likes and where he likes.

We all take this for granted. We know that some conveniently-located stores will have on sale whatever we happen to want at the moment, and at a reasonable price which is held down by competition. But we wouldn't take it for granted if we could see at first hand, what the situation is in countries where these freedoms don't exist and the government owns, operates, or in some way controls everything.

Columnist Martin S. Hayden recently wrote about what communism has done to living standards in Czechoslovakia—a country which, before it was communized, was among the most prosperous and advanced in Europe. The average Czech worker has a monthly take-home pay of about 900 crowns. This will buy the

bare necessities, but little else. For, in Prague, a seven-inch screen TV set costs 2,000 crowns, a pound of coffee 109 crowns, a small car 27,000 crowns (30 months pay) and a two-burner hot plate 560 crowns. Mr. Hayden adds the house wives queue up at five in the morning in the hope of getting a piece of meat.

A sure-fire reflection of any nation's living standards is found in its retail stores—in the range of goods offered and the prices charged. We Americans, with our free system, are the luckiest people on earth.

The Unending Revolution

The elaborate Centennial of Farm Mechanization, held at Michigan State College during the August 15-20 period and attended by 330,000 people, is over. But the amazing revolution to which it was dedicated continues in full vigor.

It is almost impossible to exaggerate the impact of farm mechanization on an American life. In little more than a long lifetime, machines made it possible for a small part of the population to produce an abundance of food and fiber for all—instead of the great majority having to work the land from dawn to dark to produce the necessities of life. It thus released tens of millions of people to work at other tasks, and to produce the wealth of goods and service which make up our American living standards. It has brought the farmer far greater return for much less arduous labor. It has made modern farming into a business.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

October 6, 1932

Grayling High is fortunate to obtain the services of Mr. Willard Cornell to head the physical education department. His duties here include coaching the Green and White athletic teams and carrying on a physical education program in the grades and through the first two years of the high school course. In addition Mr. Cornell is teaching two Junior High School history classes, and one in science. Mr. Cornell is a graduate of Western State Teachers' College, class of '31. His high school work was done at Harbor Springs where he was a star athlete under coach "Tiny" Redmond. A state Class C basketball championship is included in his prep school record, the result of which secured Mr. Redmond his position of coach for Muskegon High School. Mr. Cornell included in his college athletic career varsity participation in three major sports. He won nine "W's" proving his success in these activities. In football he played halfback and fullback under Earl Martineau and Mike Gary. In basketball he played forward under "Buck" Read, Western's crafty coach. He covered second base for "Juddy" Hymes as a main cog in the veteran infield. Mr. Cornell taught one year in Springfield,

Illinois, as physical director, and last year coached the Harbor Springs baseball club, and they won a league championship. With his splendid record as an athlete, and the able and excellent material he will have to work with, we are confident that Mr. Cornell will turn out a winning basketball team.

Miss Beatrice Freeman is starting her first year as head of the Commercial Department of Grayling High. Her training consists of four years at Cleary Business College of Ypsilanti, a college that stands for excellence of business preparation. After receiving her degree she spent one year as an instructor in the same school. The strong commercial department built up in the past years gives every indication of maintaining its high standards under her direction. Her class schedule contains the following classes: Bookkeeping, two sections; shorthand, beginning and advanced; Senior and Junior Business Training. Miss Freeman has assumed the duties of faculty advisor of the Freshman class, the largest class in school. At the time this interview took place Miss Freeman declared that she liked Grayling High and its students.

The softball tournament played at King's field last Sunday was a huge success. From 12 noon to 5 p. m. five games were played, each of them worth your while to witness. The line-ups of the various teams which competed are not available but the scores are as follows: First game, South Side 19, Frederic 5; Second game, Beaver Creek 13, North Side 12; Third game, Frederic 7, North Side 5; Fourth game, South Side 12, Roscommon 5; Fifth game, Beaver Creek 15, South Side 13. Tuesday "Dollar Day" arrived amid dark clouds and drizzling rain. Throughout the day the puddles of water in the streets grew to small lakes and flowing rivers. Chill seemed to penetrate to the very bone. It was a really dreary day when the cozy home fire seemed like the sweetest place on earth. But this did not dampen the ardor of the buying public or weaken the spirits of the hustling merchants who had already prepared themselves for a busy day. Thrifty housewives proved that they were neither hot nor cold. Raincoats and umbrellas were brought out and with lists in hand and minds alert to just what they wished to purchase, they set out to shop for real bargains. The success of "Dollar Day" proved two facts: first, that our merchants are willing to share profits with patrons who will take advantage of extra specials, and second, that the public is convinced that real old fashioned kitchen economy must prevail if we are to weather through present conditions, and that the old adage "a penny saved is a penny earned" is the quickest way back to prosperity.

It was an enthusiastic group of golfers that participated in a contest held Sunday, the losing players were to have to plant shade trees on the course. Two players responded to the call. Sides were selected, Roy Milnes and Esbern Olson acting as captains of the

respective teams. The scores of the two sides were quite equal, Roy Milnes' team winning by the close margin of 855 to 964. The ladies of the club also held a tournament and were divided into two sides, with Mrs. George Olson acting as captain of one side and Mrs. C. G. Clippert captain of the other. Mrs. Olson's side won out over the other side and will therefore be treated to a dinner by Mrs. Clippert's side. There were four foursomes who played in the ladies' tournament. Mr. and Mrs. Allen Jackson of Saginaw were guests of Mr. and Mrs. Fred R. Welsh the first part of this week. Mr. and Mrs. Einer Rasmussen of Marquette spent the weekend here, and on their return home were accompanied by the former's parents, Mr. and Mrs. Peter (Continued on Page 6)

INTERMEDIATE GIRL SCOUTS
The Intermediate girl scouts met at the Town Hall last Thursday for their first meeting since last winter. They will meet again next Thursday and everyone is supposed to bring their hoops as they will work on their quilt.

Frederic Senior Girl Scouts
Our meeting was held at the home of Carol and Sharon Lodge. We had our business meeting, then refreshments were served. At our next meeting we will go bowling.

Carol Lodge, Reporter
Frederic Browns Scouts
Sept. 27, 1955

All the Brownies were on an overnight trip Saturday and Sunday. It was truly wonderful. We had two cabins and all was just perfect. We played and ate out of doors and had a hike before breakfast. Sunday we attended Beaver Creek Church all in uniform. It was all truly great and we were all so thankful for all who helped so we could have such a great time.

September 27, our regular Scout day, found us all ready to go with 18 present. President Margaret Madill was in charge of the regular worship service and a short business session was held. Glenn Welsh offered our prayer. Roll Call was enjoyed by making up a bedroom.

Each girl sewed on the state flower quilt and it is all ready to put together now.

Lunch was served by Bonnie Pratt and Andrea Harmer. We then played a new game of shoes.

Thanks to all you dear Brownies for being so good on the trip also in our meetings each week.

Your Leader,
Mrs. Raymond Brown.

Building Permits For September

Building permits were issued in September to Rutherford-Haley at 200 Peninsula, for a 20 x 30 frame construction residence; to Vm. Brooks at 300 Brink St. for a 24 x 28 home; of Weigh-light blocks; to O. E. Williamson at 609 Cedar to alter the front of rooming house and motel; to Art Parkinson at 302 Spruce to enclose a porch; to Willard Harwood at 302 Oliver to repair a porch; to Howard Madson at 209 Madson St. for a two-room addition on house; to Margerthe Nielsen at 308 Ionia to remodel wood shed into garage; and to Roy Johnston at 806 Chestnut, to build a garage.

HONORED AT SHOWER

Mrs. Irving Melisac was the guest to be honored at a stork shower given last Thursday by Mrs. Theodore Visnaw at her home. Mrs. Visnaw was aided by her daughter, Mrs. Bernard Hall.

There were 30 ladies attending. They enjoyed a very nice lunch at which Mrs. Erwin Wales poured. Following this Mrs. Melisac opened her many lovely gifts, some of which came by mail, including one from Mrs. George McEvers in Bisbee, Arizona. Mrs. Melisac's mother, Mrs. George Ranville, and her sister, Mrs. Martha Charron, both of Mackinac, attended the party.

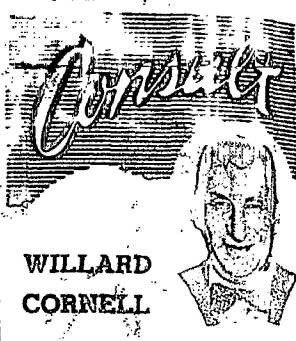

Lovells Brownie Scouts
The Brownies met at the home of Janet Johnson on Saturday. All members were present.

After the business meeting, the Brownie Scouts hemmed curtains for their new meeting place in the Town Hall.

The Girl Scouts and Brownies have been very busy the past few weeks collecting furnishings, painting walls and furniture and sewing for their room which is in the basement at the hall.

After a lunch of cup cakes and juice the meeting was adjourned. Janet Johnson, reporter

About This Question
I've seen hunters accidentally shoot a partner or an expensive hunting dog, cause a wood fire and other damage to property. I think I'm more careful, but will \$10 buy a \$10,000 Personal Liability Policy?

If I am a careful driver with no accidents the past year, is it true that I would qualify for a merit rating — which would reduce my car insurance premium?

There was a good attendance for the lesson on mending woollens. This was presented by Miss Green, of Michigan State U. The group recessed at noon for luncheon, then returned at 1 o'clock to finish the lesson.

The Penny Pinchers Home Extension group met last Thursday at the home of Mrs. Frank May, Jr., with 10 members present. The leader, Mrs. Earl Broadbent, reported on council work. Plans for a bazaar and bake sale to be held the first part of deer season were discussed. Miss Frances May asked that the next meeting be held at her home. A nice luncheon served by the hostess concluded the meeting.

CARD OF THANKS

Rasmussen, who went for their annual visit.
Gene Papendick, the accommodating clerk at the Conbee grocery, was agreeably surprised on Tuesday night when about ten couples went to his home to let him know he was a year older. Dancing was enjoyed and a pot luck lunch served.

Harry Horton and his mother, who have been residing in Lansing for some time, have returned to Frederic to make their home. Harry says work is pretty scarce in Lansing and feels that he can make a better living in his old home town than there.

Charles Deman and family, who have been residing in Detroit for several years, have moved back to Grayling and are living on the farm of the former's mother-in-law, Mrs. Deman. Mr. Deman had been employed in Detroit, but work got so scarce he decided to come back to Grayling.

Holger Hanson and his aunt, Mrs. Louis Jensen, left Thursday for Ypsilanti where they will visit Mr. and Mrs. C. Westcott.
Miss Hazel Gordon and Miss Anne McMichael of Royal Oak spent the week end here visiting Mrs. Frances at the home of the Michelson summer home on Lake Margrethe.

youngsters spent the afternoon playing various games. Billyann received many lovely gifts from her playmates. An attractive lunch was served, which appealed to all the children, by Mrs. Clippert.

46 YEARS AGO

October 7, 1909

Born to Mr. and Mrs. David Austin, Oct. 1st, a nine pound girl.
Miss Minnie Kraus began the winter term of school in Roscommon county Monday, in the district near St. Helen.

J. C. Burton sent in a stalk of corn from his farm twelve feet high, bearing a fully matured mammoth ear of Ohio dent corn.
Mr. and Mrs. R. P. Forbes made about a week's visit to Kalkaska county with old friends, returning last week Sunday.

Erner Matson and family have returned to their only town on the map for a permanent home where they are welcomed by old friends. He has bought the barber business of Carl Kreipke who will go to Los Angeles, Calif. While glad for their coming, we regret Kreipke's going.

Mrs. F. R. Deckrow has a tomato plant from a single seed which holds over seventy large tomatoes.

L. E. Richardson and wife and County Surveyor E. Richardson of South Branch started for Seattle last week where they will visit the exposition then take an extended trip through the great northwest.
Eugene C. Kendrick cut his visit short here and started Monday for another car of horses from the Nebraska ranch. His wife and son will remain to finish the visit and arrive at their homes.

Postmaster Bates and wife started for Syracuse, N. Y., Monday. He will attend the national convention of Postmasters in that city, and both will visit old friends in that part of the country.

Married at the residence of the groom, Wednesday evening, Sept. 28th, Grant Shellenbarger of Grayling to Mrs. Julia Wilber of Detroit, Justice McElroy officiating.
Married at the residence of the bride in this village, Wednesday, September 29th, Mr. Charles Herick of Benton, Mich., and Miss Gladys Hadley, Rev. Robert Houston officiating.

Mrs. Holger Schmidt called on her sister - Miss Lottie Owen in Lovells Monday.

George E. Hart of Lovells was at Johannesburg Monday.
F. R. Deckrow was at Lovells Wednesday. He did a little work for C. W. Ward, returning to Grayling Thursday.

From where I sit ... by Joe Marsh

Shades of Tom Sawyer!

Hack Willis had just stopped the tractor so he could cool off at the pump, when a young insurance salesman came up the drive.
Hack was tired of plowing, and needed insurance on his new barn. But he also needed to get that winter rye in fast. The salesman, an eager kid, noticed hesitation. "I come from a farm," he said. "Why don't you look at these booklets - get all the dope - and I'll take that plow a couple of rounds for you."

in the shade - was able to decide just what kind of policy to get.
From where I sit, to be a good salesman - or a good citizen - it always helps to "put yourself in the other man's place." He may have a different sort of job with different problems - he may prefer to close a deal over, say, a friendly glass of beer while you might prefer something else. But both of you can cooperate if you make it a "policy" to try.

Young fellow laid off a pretty straight furrow, too. It was almost dark before Hack - sitting -

House Conference

As in all Christian churches around the world, World Wide Communion was observed on Sunday at Michigan Memorial Church School.

All church school classes met with the new teachers Sunday, and as in every recent year, increasing enrollment made additional meeting during the preceding week to make the final appointments and assign class-room space as suitably as possible under present crowded conditions. Among other changes, the Nursery Class has been moved from the kitchen it has occupied ever since it was organized, and transferred to the large classroom behind the dining room, where as soon as arrangements can be made, it will operate through both Sunday School and church hours. The kitchen is now the home of the Senior High Class, leaving the adult class in full possession of the balcony. All classes report good initial enrollment and the church school year is off to a good start.

The newly organized Intermediate Evening Fellowship held their meeting at the Robertson cabin, with their counselors, Mr. and Mrs. Barney Engel, Mr. and Mrs. Tom Robertson and Mrs. Ted Thompson.

Mr. Puffer, Judy Larson and Vivian Fenton attended a sub-district planning meeting at Hillman Sunday afternoon.

willing to accept the sponsorship. At the October 26 meeting a decision will be reached. It is advisable that all townsmen involved with during these intervening weeks, take a stand and make an estimate on how far they will go in support of the program, then voice those thoughts at the next meeting.

The usual delicious lunch was served by several of the first grade mothers under the supervision of Mrs. Matt Edson and Mrs. Glen Fenton.

The evening left the die-hards, the stubborn few who feel the importance of the P. T. A. in a rare mood of optimism. With luck, and more work, the organization will continue to thrive, eventually gaining its rightful place in the community.

A membership drive for the Grayling P. T. A. is planned for the near future and will be conducted on a block basis the same as the Mother's March for polo funds. In charge of the membership drive are Lewis Stillwagon and Wesley LaGrow.
